Re: Jameal Mosley CDC # BB8122 Court Docket: 18FE007386

Inmate Mosley is a well-established violent felon, and should not be paroled. The circumstances surrounding his current conviction and his prior criminal record show that he poses an unreasonable risk of violence to the community.

[REDACTED]

[REDACTED] Inmate Mosley was
[REDACTED] caught in possession of a firearm. He was convicted of a violation of Penal Code 29800,
felon in possession of a firearm, and sentenced to 4 years state prison.

In 2018, Inmate Mosley was freshly out of prison and still on parole. When officers conducted a parole search of his apartment where he lived with his wife and child, they found a firearm magazine on the master bed. Officers continued to search and located a 40 cal. Glock 23 semi-auto handgun with a loaded 22-round extended magazine concealed under his young daughter's

mattress. Ultimately, Inmate Mosley was convicted of another violation of Penal Code section 29800 and sentenced to 5 years state prison.

As we are given 30 days to respond, and we are not provided with any disciplinary history or any other information aside from the one-page notice of parole review, I cannot comment on Inmate Mosley's prison conduct. However, from the record that is available it is clear that Inmate Mosley's should not be released as he poses a significant, unreasonably risk of violence to the community. Therefore, the People request Inmate Mosley's parole be denied.

Respectfully,

Nicholas Johnson
