SCENE

■■■■ Bruns Way, Sacramento, CA

A single story house located in a residential neighborhood. The house is located at the east end of Bruns Way, east of the intersection with Dave St. The house sits on the north side of the street. The front door faces south and is east of the driveway. There is a two car garage attached to the west end of the house. A cement driveway extends from the garage to the north curb line of Bruns Way. There was a dark colored Nissan car parked in the center of the driveway, backed up to the garage. A wooden fence with a cyclone fence gate extending from the west side of the garage to the western property line. The gate has privacy slats in the screen and is adjacent to the garage.

There is a section of lawn on the west side of the driveway. A hedge is at the north end of this section of grass. The hedge is approximately three to four feet high and partially obstructs the view of the fence and gate from the street. There is a six foot high cyclone fence with privacy slats extending south from the wooden fence and ending approximately eight feet from the sidewalk.

A small Glock pistol was found at the scene. Deputies searched the house after receiving consent from Ricardo and ■■■■.

BRIEFING

At approximately 0405 hrs, SSD Dispatch received a 911 hang up call from [REDACTED] Dave St. Deputies were dispatched to the location. Upon arrival deputies located and talked with Witness [REDACTED] [REDACTED] told them he was arguing with "Eddie" at [REDACTED] Bruns Way about [REDACTED] kids. Eddie told [REDACTED] to leave. Eddie told [REDACTED] he had a gun. [REDACTED] called 911 and then ran home.

[REDACTED] told deputies Ricardo Jauregui is her son. She stated that [REDACTED] [REDACTED] causes issues. [REDACTED] was going to break down their door. He heard somewhere that [REDACTED] had his kids at her house and he was going over to get them. Ricardo would shoot [REDACTED] if he came over.

[REDACTED], father of [REDACTED] [REDACTED] told deputies he is [REDACTED] father. He stated that [REDACTED] has been using Meth for about three weeks. [REDACTED] had become paranoid about his wife and kids. [REDACTED] believed they were over here [REDACTED] Dave St). [REDACTED] has been up all night ranting and raving in the garage.

Deputy Godfrey #211 conducted a public safety interview about number of rounds fired and in which direction. Dep. Godfrey was able to locate three casings. The pistol located at the scene was a Glock Model 27, .40 cal.

WALK THROUGH

At approximately 0830 hrs, I was participated in a secondary walk through conducted by SSD Homicide detectives. I was told that one deputy was across the street from [REDACTED] Bruns Way, west of the property line. He was shooting in a northeast direction towards a location in the center of the grass area, west of the driveway. There was a casing in the gutter on the south side of Bruns Way, east of the property line to [REDACTED] Bruns Way.

The second deputy was on the front yard approximately 20-25 feet east of the driveway and two feet north of the sidewalk. That deputy fired rounds in a western direction towards the center of the grass area on the west side of the driveway.

I was informed the suspect was in the center of the grass area on the west side of the driveway when he was shot. There was a shirt on the grass at that location.

STATEMENT

SUSPECT: JUAREGUI, Ricardo Rueban

On 06/03/2018, at approximately 0919 hrs, Suspect Juaregui was interviewed by SSD Det. Ralph Garcia in an interview room at the Sheriff's detective Division on Orangegrove Av. Det. Garcia read Juaregui his Miranda rights. Juaregui stated he understood his rights. The following is a summary of the interview:

I was sleeping in the garage of [REDACTED] Bruns Way. I sleep on a couch in the garage. At around 0400 hrs, I woke up. I heard someone yelling out my name. I heard crazy talk coming from this person. I woke up my mother. I retrieved my gun from under the cushions of the couch I was sleeping on. The person calling my name was [REDACTED] dad had previously told me that [REDACTED] was doing drugs.

I saw someone with a light looking around on the west side of our house. I came out the side garage door to the side of the house. I went out to the front of the house on the west side of the driveway. I saw lights and badges. I said, "Oh shit!" and then dropped my gun down. I was then shot.

At about 0355 hrs, I heard [REDACTED] yelling. He was accusing us of hiding his kids and his wife. His wife left him about a month ago.

One of the ways I know [REDACTED] is that my girlfriend's son kicked his ass about two years ago. I've never had problems with [REDACTED] I know he caused our neighbors some problems though.

I heard my name called and the voice kept getting closer and then further away.

I keep my handgun under the couch cushions where I sleep in the garage. The gun is kept in a soft case. It's a Glock model 27. I bought it on 06/19/2010. During the day, I keep the gun in an ammo box. I keep it loaded but don't put a round in the chamber.

The voice I heard came from the corner of Bruns Way and Dave St. It was about 5-10 minutes from the time I first heard the voice until I took the gun out. After that, I saw a shadow outside the gate on the side of the house.

I woke my mom up before I took the gun out. My mom and I went out the side garage door and stood behind the gate. I then went back into the garage to get my gun. I got the gun because I couldn't find my bat.

I saw a body in the front of the house and opened the gate to tell him to get the hell out of here. I saw "Sheriff" on one of the deputy's hat and dropped the gun.

I had wanted to scare [REDACTED] away. I went outside the gate about two minutes after I got the gun.

When I came out the gate, I set off the motion sensor light in front of the garage.

The gate was locked with a combination lock. I was the one who unlocked it. I had waited about 3-4 minutes behind the gate before exiting. I opened the gate and went about five feet before setting off the motion sensor light.

I saw a light flashing. I thought, "this fool is coming over". I then saw the Sheriff's deputies.

One told me "put the gun down." I dropped the gun, then was shot.

I had saw a shadow by my neighbor's house. When I came out, I had the gun down at my side. I didn't point it at anyone. I don't remember if I raised it. The gun didn't come up any higher than my waist.

I'm kind of scared of [REDACTED]. I heard a gunshot a couple of years ago when [REDACTED] and his dad were arguing. I had no intention of shooting [REDACTED] I just wanted to scare him away.

When I came out to the front yard, I said "What the fuck are you doing?" I had the gun down when I came out of the gate. I saw the shine of badges and the word "Sheriff" on a hat. I heard "put the gun down." I dropped the gun instantly.

I saw two deputies. One was across the street and one was by the mail box in the front yard.

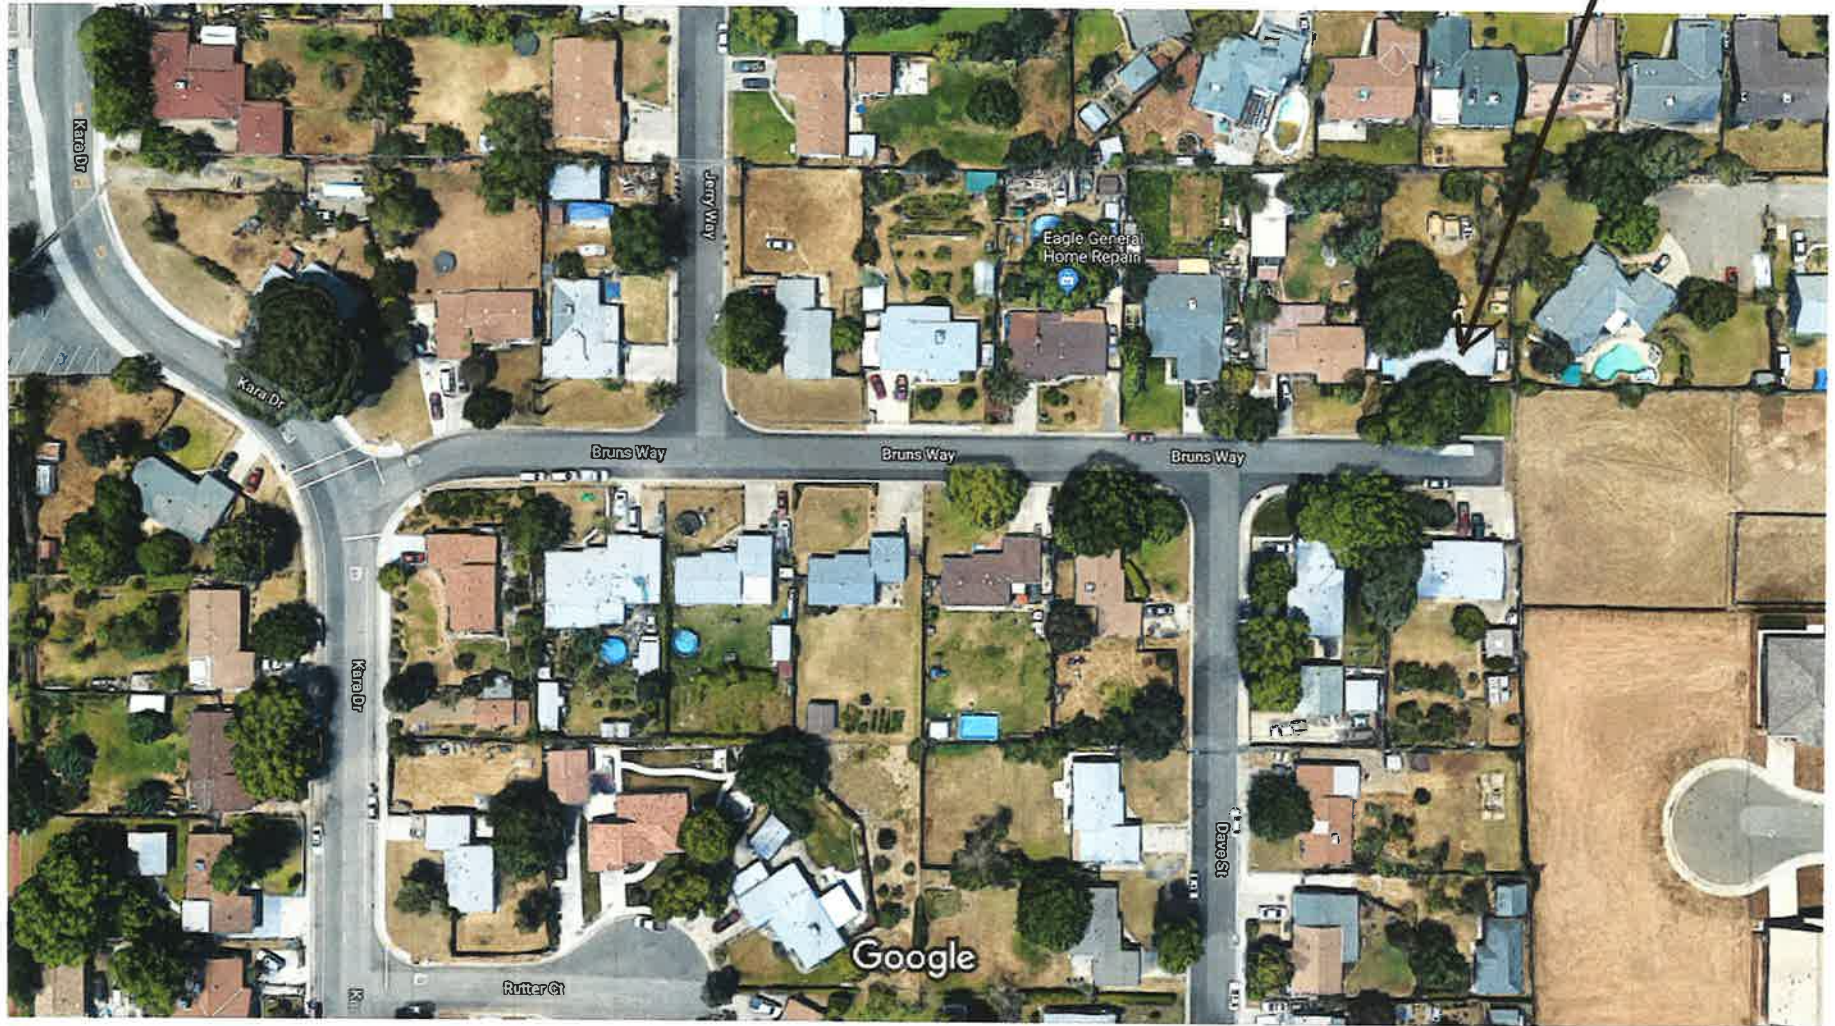

The deputies had flashlights on.

There was 30-40 seconds from the time I exited the gate to the time I dropped the gun.

I think the officers had every right to shoot. It was my fault. My dumb mistake. It was not a good choice to come out with a gun. I wasn't worried he was coming over to hurt me. I just wanted to scare him.

MEMORANDUM

SACRAMENTO COUNTY DISTRICT ATTORNEY'S OFFICE

ANNE MARIE SCHUBERT
DISTRICT ATTORNEY

DATE: June 3, 2018

TO: Supervising DDA Tan Thinh

FROM: CI Shirley Scheffler

SUBJECT: Officer Involved Shooting, SSD # 18 – 187494

On Sunday, 06/03/2018 at about 0630 hrs., I received notification from Lt. Joe that the Sacramento County Sheriff's Department had an officer involved shooting in the area of [REDACTED] Dave Street in Sacramento County. I contacted my on-call partner, CI Paul Martinson and we arranged to meet at the scene.

I arrived about 0730 hrs., and found the scene was secured by deputies from the Sacramento County Sheriff's Department. CI Martinson had arrived prior to my arrival and he had received a general summary of what had transpired. The deputies involved were identified as Deputy Alexander Spencer # 984 and Deputy David Benjamin # 1262. A subject, identified as Ricardo Jauregui, had apparently displayed a Glock .40 caliber handgun at the deputies. Jauregui sustained a minor gunshot to his arm, and he was already medically treated and released. I subsequently participated in the walk through of the scene, and we later responded the Centralized Investigations Bureau for interviews. Please refer to CI Martinson's report for details of the scene, and interview of Ricardo Jauregui.

CI Martinson and I subsequently responded to the Centralized Investigations Bureau for interviews. The following interviews were conducted by Detective Ralph Garcia and Detective Rob Peters of the Homicide unit. CI Martinson and I monitored the interviews in an adjoining office.

At about 1022 hrs., Detective Garcia and Detective Peters interviewed Deputy David Benjamin # 1262. Deputy Benjamin's legal counsel from the Law Offices of Mastagni and Holstedt was also present.

Deputy Benjamin was dressed in a full uniform as a deputy of the Sacramento County Sheriff's Department. Deputy Benjamin related he was hired as a Deputy Sheriff in June 2015, and was currently assigned to the Central Division, on F watch, working 2130 – 0730 hrs. Deputy Benjamin stated he qualified successfully with his handgun in the most recent range qualification.

Deputy Benjamin produced his duty handgun, a Glock 9 mm, Model 17, bearing serial number # YEL720. Deputy Benjamin stated he normally carries the handgun with 17 rounds loaded in the magazine, and one round in the chamber of the handgun.

Deputy Benjamin responded to a 952 – an incomplete 911 hang up call at [REDACTED] Dave Street. The call stated there was nothing heard over the phone line.

Deputy Benjamin arrived about 0411 hrs. He parked on Bruns Way, west of the location, and walked up to the call location, where he and Deputy Spencer contacted a white male, who was later identified as [REDACTED]. [REDACTED] was erratic, talking fast, but nothing he said was really outlandish. [REDACTED] said he was having problems with his ex-girlfriend. [REDACTED] said his ex-girlfriend and his kids were with a guy at the end of the street. [REDACTED] pointed out the house to them, and he asked the deputies to go make sure his kids were okay.

Deputy Benjamin and Deputy Spencer walked east on Bruns Way towards the identified house. Deputy Spencer was to Deputy Benjamin's right, and they were walking side by side. The subject (later identified as Ricardo Jauregui) bolted out the side gate of the house. He was agitated. He was yelling, "Get the fuck off of my property! ", and "Get away from me you crazy person!". Deputy Benjamin saw something in his right hand, which he thought might be a gun. Deputy Benjamin ran back in attempt to find cover. He was in fear for his life and feared for his safety. Deputy Benjamin heard Deputy Spencer say, "gun!", and he turned around to see Jauregui with a gun in his hand. Jauregui was holding the gun above his waist. Jauregui was standing in the middle of his driveway on a patch of grass. He was about 15 – 20' away from Deputy Benjamin. In fear for his life, Deputy Benjamin shot approximately 3 rounds. Jauregui got on his stomach, and he put his hands out. Deputy Benjamin asked Jauregui if he was okay. Jauregui said he was shot in the arm. Deputy Benjamin requested Code 3 fire. Deputy Benjamin then saw the gun on the grass, it was laying about 5' away from Jauregui.

A few seconds later, Deputy Benjamin saw a woman (later identified as [REDACTED]) come out of the side gate. She was handcuffed.

Deputy Benjamin estimated there was 2 - 3 seconds from the time the subject came out of the gate to the officer involved shooting.
