Issue 9

GROUP PURPOSE

Why are we here:

To support persons who survive the violent death of someone close as they seek to recover;

To provide contact with similarly bereaved persons and establish self-help groups that meet regularly;

To provide information about the grieving process and the criminal justice system as they pertain to survivors of a homicide;

To communicate with professionals in the helping fields, about the problems faced by those surviving a homicide and to increase society's awareness of these issues.

We Remember Them

At the rising of the sun and at its going down
We remember them.

At the blowing of the wind and in the chill of winter
We remember them.

At the opening of the buds and in the rebirth of spring
We remember them.

At the blueness of the skies and in the warmth of summer
We remember them.

At the rustling of the leaves and in the beauty of autumn
We remember them.

At the beginning of the year and when it ends
We remember them.

As long as we live, they too will live, for they are now a part of us as
We remember them.

When we are weary and in need of strength
We remember them.

When we are lost and sick at heart
We remember them.

When we have joy we crave to share
We remember them.

When we have decisions that are difficult to make
We remember them.

When we have achievements that are based on theirs
We remember them.

As long as we live, they too will live, for they are now a part of us as
We remember them.
