Name:
Address:
E-mail:
Phone #:
College/University and Status:
Major/Area of Study:
Projected Graduation Date:
List courses you have taken or are currently taking that would be relevant for an internship position within a Crime Lab:

List any analytical instrumentation you are familiar with:

What area(s) of forensic science interests you?

Do you feel you can work independently without direct supervision? Yes No

If chosen for an internship, you would be working in a laboratory environment which includes working around pathogens and chemicals. Protective clothing and equipment will be provided. Would you agree to work in this environment? Yes No

As part of the screening process, you will need to have a criminal history record check (background check). Do you have any criminal offenses? If yes, please list the offenses with the date of occurrence. Yes No

Do you require any special accommodation to facilitate your internship? Yes No
If yes, please explain. We will make every effort to facilitate any needs.

Is there a planned research project you wish to conduct? If yes, please explain the project. Yes No

The Laboratory's regular operating days are Monday through Friday. Please list what days and block of time you would be able to work.

How did you hear about this internship opportunity?
