

## QAD: Non-technical Manual Reviews

---

### Annual manual reviews

The following is the general schedule for the annual manual reviews of the *Administrative, Evidence, and Safety Manuals*. The schedule may be adjusted if necessary.

| Manual         | Start date, first working day of... | Due date, last working day of... |
|----------------|-------------------------------------|----------------------------------|
| Safety         | October                             | November                         |
| Evidence       | May                                 | June                             |
| Administrative | October                             | November                         |
