

ORG: Laboratory Organization

Parent organization
4.1.5.e

The Laboratory of Forensic Services is a bureau within the District Attorney's Office for Sacramento County, California. The Laboratory Director reports directly to the Assistant District Attorney.

Positions within the laboratory
5.2.3

Positions currently in the laboratory include the following:

- Laboratory Director
 - Supervising Criminalist
 - Administrative Services Officer I
 - Criminalist (Level I, Level II, Level III, and Level IV)
 - Forensic Laboratory Technician
-

Management staff
4.1.8

There are two management designations in the laboratory organization

- Top management position generally refers to the manager who has laboratory-wide operation responsibilities. This position is filled by the Laboratory Director, who generally supervises the Supervising Criminalists and the administrative staff. The Director is responsible for overall planning, organizing, and directing of the operations of the Laboratory of Forensic Services.
 - Key management position generally refers to the manager who typically does not have laboratory-wide operation responsibilities. Supervising Criminalists supervise the technical and evidence control staff, manage the Quality Assurance program, and perform other administrative and technical functions as required.
-

Technical staff
4.1.5.h.1

The following laboratory personnel analyze forensic casework:

- Supervising Criminalist
 - Criminalist (Level I, Level II, Level III, and Level IV)
 - Forensic Laboratory Technician
-
