RE: O'Neal, Walter Brennan V14562

Thank you for this opportunity to address the Board regarding the Board's administrative review of Inmate Walter Brennan O'Neal and his suitability for early release. Inmate O'Neal has a long history of committing serious crimes against persons and property, and is unsuitable for release at this time. A summary of his convictions are as follows:

[REDACTED]

- March 1982 – petty theft
- December 1982 – failure to appear
- May 1983 – prostitution
- February 1987 – battery
- September 1987 – battery
- July 1990 – felony vehicle theft
- July 1991 – brandishing a deadly weapon; attempted robbery
- November 1994 – possession of drug paraphernalia; giving a false name to police
- November 1994 – parole violation
- June 1995 – felony vehicle theft
- March 1998 – parole violation
- November 1998 – parole violation
- January 2000 – parole violation
- September 2000 – parole violation
- April 2001 – parole violation
- October 2001 – parole violation
- May 2002 – parole violation
- November 2002 – parole violation
- November 2003 – felony poss. of controlled substance; poss. of a weapon; failure to appear
- December 2006 – felony vehicle theft
- May 2010 – parole violation
- January 2011 – parole violation
- February 2012 – felony vehicle theft

As you can see, Inmate O'Neal has spent his entire life flouting the laws enacted by society to protect its citizens from physical and economic loss. There can be no doubt that if the Board were to grant this inmate his early release, it would merely hasten the time at which he creates further victims. As he has shown absolutely zero inclination to change his criminal behavior [REDACTED], the People urge the Board to deny early release at this time.

Thank you for your consideration in this matter,

Samuel Alexander
