Issue 1

GROUP PURPOSE

Why are we here:

To support persons who survive the violent death of someone close as they seek to recover;

To provide contact with similarly bereaved persons and establish self-help groups that meet regularly;

To provide information about the grieving process and the criminal justice system as they pertain to survivors of a homicide;

To communicate with professionals in the helping fields, about the problems faced by those surviving a homicide and to increase society's awareness of these issues.

YOU ARE MISSED SO VERY MUCH

I often sit and think about The years that have passed by, And of the happiness and joy That was shared by you and I. I think of all the laughter The smiles and all the fun, And before I even know it My tears have once again begun. For although it brings me comfort To walk down memory lane, It reminds me how without you Life has never been the same. Anonymous

MISSING YOU

They say there is a reason, They say that time will heal, But neither time or reason Will change the way I feel. For no one knows the heartache That lies behind my smile, No one knows how many times I have broken down and cried. I want to tell you something, So there won't be any doubt. You're so wonderful to think of, But so hard to be without.
