Verified Complaint for Declaratory and Injunctive Relief

and KATHLEEN ALLISON, in her official capacity as Secretary of the California Department of Corrections and Rehabilitation; DOES 1-10, inclusive,

Defendants.

#### **INTRODUCTION**

1. Plaintiffs seek a judicial declaration invalidating the regulations promulgated in OAL File No. 2021-0408-04EON<sup>1</sup> ("the Regulations") due to a substantial failure to comply with the Administrative Procedure Act ("APA"). (Gov. Code, §11350, subd. (a).)

2. In 2016, Proposition 57 was approved by California voters and amended the California Constitution authorizing the California Department of Corrections and Rehabilitation ("CDCR") to award credits earned for good behavior and approved rehabilitative or educational achievements. (Cal. Const., art. I, § 32.)

3. The APA was enacted to establish basic minimum procedural requirements for the adoption, amendment, or repeal of administrative regulations promulgated by administrative agencies. (*Morales v. California Dept. of Corrections & Rehabilitation* (2008) 168 Cal.App.4th 729, 735-736 (*Morales*) citing Gov. Code, §11346; *Grier v. Kizer* (1990) 219 Cal.App.3d 422, 431, disapproved on other grounds in *Tidewater Marine Western, Inc. v. Bradshaw* (1996) 14 Cal.4th 557, 577.)

4. Penal Code section 5058.3 was enacted to afford CDCR an exception to the APA procedures in order to quickly adopt regulations as operational needs require. The CDCR Secretary must, in writing, explain the "the operational need to use the emergency rulemaking procedure." (Pen. Code, §5058.3, subd. (a)(2).) The included statement of legislative intent of the law was to "authorize the department to expedite the exercise of its power to implement

Verified Complaint for Declaratory and Injunctive Relief

<sup>&</sup>lt;sup>1</sup> In OAL File No. 2021-0408-04EON, the Department of Corrections and Rehabilitation adopted California Code of Regulations, title 15, section 3043.7 and amended sections 3043, 3043.2, 3043.3, 3043.4, 3043.5, 3043.6, 3044, 3045.1, 3043.7 [Renumbered to 3044.1], 3043.8 [Renumbered to 3044.2], 3047 [Renumbered to 3046.1].

regulations as its unique operational circumstances require." (Pen. Code, §5058.3, subd. (b).)

28

On April 8, 2021, the Office of Administrative Law ("OAL") received CDCR's 5. 2 rulemaking file. (Exhibit A.) The proposed regulations were filed only as an emergency by 3 operational necessity pursuant to Penal Code section 5058.3. (Ibid.) On April 28, 2021, the 4 OAL approved the emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the 5 Government Code and section 5058.3 of the Penal Code. (Exhibit B.) The emergency regulatory 6 action became effective on May 1, 2021, and will expire on February 8, 2022. (Ibid.)

6. The purpose of the emergency procedure outlined in Penal Code section 5058.3 8 is to immediately put into place operational regulations on an emergency basis. Operational is 9 commonly defined as "relating to the routine functioning and activities of a business or 10 organization." (Oxford Dictionaries. Oxford University Press. 11

https://premium.oxforddictionaries.com/us/definition/american\_english/operational (accessed 12 via Oxford Dictionaries Online on May 20, 2021).) In contrast to this intent, the Regulations are 13 credit earning provisions that have the effect of significantly shortening the length of sentences 14 for 76,000 offenders including violent and serious crimes; an expansive new public policy 15 rather than a regulation that goes to an operational need or circumstance of CDCR. 16

The APA codifies the proper procedures for such broad and far reaching changes 7. 17 and those procedures should be respected. 18

8. This Court should, therefore, declare the Regulations approved in OAL File No. 19 2021-0408-04EON to be invalid and permanently enjoin the enforcement of these regulations. 20

9. This Court should also grant a stay, temporary restraining order, preliminary injunction, and permanent injunction prohibiting CDCR from enforcing the Regulations during the pendency of these proceedings.

## PARTIES

Plaintiffs Anne Marie Schubert (District Attorney of Sacramento County); Krishna 10. 25 Abrams (District Attorney of Solano County); Jason Anderson (District Attorney of San Bernardino 26 County); Kirk Andrus (District Attorney of Siskiyou County); Michael Atwell (District Attorney of 27

Alpine County); Matt Beauchamp (District Attorney of Colusa County); Stephanie Bridgett 1 (District Attorney of Shasta County); Clint Curry (District Attorney of Yuba County); Dan Dow 2 (District Attorney of San Luis Obispo County); Joyce Dudley (District Attorney of Santa Barbara 3 County); Keith Fagundes (District Attorney of Kings County); Birgit Fladager (District Attorney of 4 Stanislaus County); Maggie Fleming (District Attorney of Humboldt County); Lori Frugoli (District 5 Attorney of Marin County); Morgan Gire (District Attorney of Placer County); Sandra Groven 6 (District Attorney of Sierra County); Allison Haley (District Attorney of Napa County); Michael 7 Hestrin (District Attorney of Riverside County); David Hollister (District Attorney of Plumas 8 County); Candice Hooper (District Attorney of San Benito County); Amanda Hopper (District 9 Attorney of Sutter County); Cassandra Janecke (District Attorney of Tuolumne County); Tim 10 Kendall (District Attorney of Mono County); Susan Krones (District Attorney of Lake County); 11 Katherine Micks (District Attorney of Del Norte county); Sally Moreno (District Attorney of 12 Madera County); Erik Nasarenko (District Attorney of Ventura County); Cliff Newell (District 13 Attorney of Nevada County); Gilbert G. Otero (District Attorney of Imperial County); Jeannine 14 Pacioni (District Attorney of Monterey County); Vern Pierson (District Attorney of El Dorado 15 County); Mike Ramsey (District Attorney of Butte County); Jeff Reisig (District Attorney of Yolo 16 County); Todd Riebe (District Attorney of Amador County); Melyssah Rios (District Attorney of 17 Lassen County); Matt Rogers (District Attorney of Tehama County); Lisa Smittcamp (District 18 Attorney of Fresno County); Todd Spitzer (District Attorney of Orange County); Summer Stephan 19 (District Attorney of San Diego County); Dwayne Stewart (District Attorney of Glenn County); 20 Walter Wall (District Attorney of Mariposa County); Tim Ward (District Attorney of Tulare 21 County); Barbara Yook (District Attorney of Calaveras County); and Cynthia Zimmer (District 22 Attorney of Kern County) on behalf of the People of the State of California. 23

11. Defendants CDCR and Kathleen Allison, in her official capacity as Secretary of
CDCR. Secretary Allison is and at all material times was the Secretary of CDCR. Plaintiffs are
informed and believe and thereon allege that Secretary Allison was responsible for drafting,
issuing, and enforcing the Regulations that are the subject of this action.

28

Plaintiffs are currently unaware of the true names or capacities of the persons or 12. entities herein named as DOES 1 through 10, inclusive, and therefore sue these parties by their fictitious names. Plaintiffs will amend this Complaint to set forth the real names and capacities of the DOE defendants, along with any additional allegations, when such information is ascertained.

# JURISDICTION AND VENUE

This Court has jurisdiction over the matters alleged in this Complaint pursuant to 13. Government Code section 11350, subdivision (a) and Code of Civil Procedure section 1060.

Venue for this action properly lies in the Superior Court of the State of California, 14. County of Sacramento, pursuant to Code of Civil Procedure sections 393 and 401.

#### STANDING

Pursuant to Government Code section 11350, subdivision (a) "any interested person 15. may obtain a judicial declaration as to the validity of any regulation or order of repeal by bringing an action for declaratory relief in the superior court in accordance with the Code of Civil Procedure .... "Plaintiffs, on behalf of the People of the State of California, are interested in this matter because this Complaint seeks to invalidate the Regulations that were approved without an opportunity for the public, including victims and their families, to be heard. The District Attorney is empowered to prosecute criminal offenses on behalf of the People, including victims and their families. Because the Regulations have the effect of reducing sentences for 76,000 persons including for violent and serious offenses, the public, including the victims and their families have a direct and beneficial interest in ensuring that CDCR validly promulgates such regulations under the APA. The plaintiffs identified in paragraph 10 represent over 20 million Californians who have been impacted by these so-called emergency regulations. The plaintiffs also represent victims and their next of kin including victims from adjudicated cases, pending cases, and future cases.

24

# EXHAUSTION OF ADMINISTRATIVE REMEDIES

Plaintiffs have exhausted all administrative remedies to the extent required by the 16. law. Although not required under Government Code section 11350, subdivision (a), plaintiffs sent a letter to Secretary Allison on May 17, 2021. (Exhibit C.) CDCR's reply is not necessary nor

6

required by law in order to file this Complaint. (Gov. Code, § 11350, subd. (a).) The relief sought 1 in this Complaint is ripe and not moot because plaintiffs seek a judicial declaration that the 2 Regulations do not substantially comply with the provisions of the APA. Specifically, plaintiffs are 3 seeking a declaration that any regulation that has the effect of reducing sentences is not within the 4 scope of Penal Code section 5058.3. Any such regulation must be adopted through the APA 5 rulemaking process (Gov. Code, §11340 et seq.).

### FACTUAL ALLEGATIONS

#### A. **Rulemaking Procedures**

Penal Code section 5058, subdivision (a) requires the CDCR Secretary to 17. promulgate rules and regulations for the administration of prisons pursuant to the APA, unless enumerated exceptions apply. (Morales, supra, 168 Cal.App.4th at p. 735.)

Penal Code section 5058.3, subdivision (a)(2) states in relevant part: 18.

Notwithstanding subdivision (b) of Section 11346.1 of the Government Code, no showing of emergency is necessary in order to adopt, amend, or repeal an emergency regulation if the director instead certifies, in a written statement filed with the Office of Administrative Law, that operational needs of the department require adoption, amendment, or repeal of the regulation on an emergency basis. The written statement shall include a description of the underlying facts and an explanation of the operational need to use the emergency rulemaking procedure. This paragraph provides an alternative to filing a statement of emergency pursuant to subdivision (b) of Section 11346.1 of the Government Code. It does not preclude filing a statement of emergency. This paragraph only applies to the initial adoption and one readoption of an emergency regulation.

Subdivision (b) provides that:

It is the intent of the Legislature, in authorizing the deviations in this section from the requirements and procedures of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, to authorize the department to expedite the exercise of its power to implement regulations as its unique operational circumstances require.

### 19. The OAL website states that the APA

establishes rulemaking procedures and standards for state agencies in California. The requirements set forth in the APA are designed to provide the public with a meaningful opportunity to participate in the adoption of state regulations and to ensure that regulations are clear, necessary and legally valid. The APA is found in the California Government Code, commencing with section 11340. State regulations must also be adopted in compliance with regulations adopted by OAL (Cal. Code Regs., tit. 1, §§ 1-120).

20. Under the regular rulemaking process webpage of the OAL, it summarizes that:

The vast majority of regulations adopted pursuant to the APA are submitted to OAL as "regular" rulemakings. Unless a proposed rulemaking action is submitted to OAL as an "emergency" rulemaking or is exempted from the APA, the regular rulemaking process must be complied with when an agency undergoes a rulemaking action. The regular rulemaking process includes comprehensive public notice and comment requirements. It also requires that documents and information on which the rulemaking action is based are available for review and inspection. This comprehensive process is intended to further the goal of public participation in the rulemaking process and to create an adequate rulemaking record for review by OAL and the courts.

(<https://oal.ca.gov/rulemaking\_process/regular\_rulemaking\_process/>)

21. The OAL website informs the public that:

To initiate a formal rulemaking action, an agency publishes a notice of proposed action in the California Regulatory Notice Register. The agency must also mail the notice of proposed action to those persons who have requested notice of regulatory actions, and post the notice of proposed action, express terms, and initial statement of reasons on the agency's website. (Gov. Code, § 11346.5.) Once the notice of proposed action is published in the California Regulatory Notice Register, the APA rulemaking process is officially started and the agency has one year within which to complete the rulemaking process and submit the completed rulemaking file to OAL.

(<https://oal.ca.gov/rulemaking\_participation/>)

8

The APA requires a minimum 45-day period for the public to comment to the 22. 1 agency in writing on the proposed regulation. (Ibid.) The notice of proposed action specifies the 2 rulemaking agency name, contact person and address where the comments must be directed and 3 the date the written comment period closes. (Ibid.) Members of the public should not submit 4 5 written comments on regular rulemaking actions to OAL. (Ibid.) 6 23. The OAL website further provides that: 7 Under the APA, a rulemaking agency has the option whether to hold a public hearing on a proposed rulemaking action. If an agency does not 8 schedule a public hearing, any interested person can submit a written request for a hearing to be held. The written request for a hearing must 9 be submitted at least 15 days prior to the close of the written public 10 comment period. If timely requested, the agency must hold a public hearing. (Gov. Code, § 11346.8.) If a public hearing is held, the hearing 11 must be scheduled for a date at least 45 days after the notice of proposed action was published. At the public hearing, both written and oral 12 comments must be accepted. 13 (Ibid.) 14 A rulemaking agency must summarize and respond to timely comments that are 15 24. directed at the proposal or at the procedures followed by the agency during the rulemaking action. 16 (Ibid.) For each comment, the agency must include either an explanation of how the proposed 17 action has been changed to accommodate the comment or state the reasons for rejecting the 18 comment. (Ibid.) In summarizing and responding to public comments, the agency must 19 demonstrate that it understood and considered the comment. (Ibid.) The summary and response to 20 comments is included as part of the rulemaking file in a document called a Final Statement of 21 22 Reasons (Gov. Code, § 11346.9.). (Ibid.) 23 A rulemaking agency must transmit a rulemaking action to OAL for review within 25. one year from the date that the notice was published in the California Regulatory Notice Register. 24 (Ibid.) Once submitted, OAL has 30 working days to conduct a review of the rulemaking record to 25 ensure that the agency satisfied the requirements of the APA and OAL's regulations. (Ibid.) OAL 26

will then either approve the rulemaking action and file the proposed regulation with the Secretary

27

28

of State or disapprove the rulemaking action. (Ibid.)

#### B. **Rulemaking History**

On April 8, 2021, the OAL received CDCR's rulemaking file. (Exhibit A.) The 26. proposed regulations were filed only as Operational Necessity pursuant to Penal Code section 5058.3. (Ibid.) On April 28, 2021, the OAL approved the emergency regulatory action pursuant to sections 11346.1 and 11349.6 of the Government Code and section 5058.3 of the Penal Code. (Exhibit B.) The emergency regulatory action became effective on May 1, 2021, and will expire on February 8, 2022. (Ibid.)

## FIRST CAUSE OF ACTION

(Declaratory Relief)

Plaintiffs reallege and incorporate by reference Paragraphs 1 through 26, 27. inclusive, of this Complaint as if fully set forth herein.

An actual controversy has arisen and now exists between Plaintiffs and Defendants. 13 28. Plaintiffs contend that the APA required Defendants to file the Regulations under the regular (Gov. 14 Code, §11346) or emergency (Gov. Code, §11346.1) rulemaking process contained in the APA 15 (Gov. Code, §11340 et seq.) because the operational needs of CDCR did not require adoption of 16 the Regulations on an emergency basis. Defendants specifically avoided the emergency rule 17 making process required under Government Code section 11346.1 because there is no actual 18 emergency, and they cannot meet those emergency requirements. 19

A judicial declaration invalidating the Regulations for failing to substantially 20 29. comply with the APA is necessary and appropriate at this time, as Defendants are currently enforcing such Regulations.

The purpose of the emergency procedure outlined in Penal Code section 5058.3 30. 23 is to immediately put into place regulations on an emergency basis. The Regulations, however, 24 are credit earning provisions that have the effect of shortening the length of a person's sentence 25 rather than a regulation that goes to an operational need or circumstance of the department. As 26 such, the operational needs or circumstances of the department did not require adoption of the 27

10

	proposed	regulations	on	an	emergency	basis.

Further, there is no "description of the underlying facts and an explanation of the 31. operational need to use the emergency rulemaking procedure" in the proposed regulations as required by Penal Code section 5058.3, subdivision (a)(2). In the rulemaking file submitted to the OAL, CDCR Secretary Allison cited the need to "Comply with the direction outlined in the Governor's Budget Summary, May Revision 2020-2021."2 (Exhibit A.) Nowhere in the supporting documents is there an explanation of how last year's budget has become an operational need for adoption of the Regulations on an emergency basis.

9 Because there is no operational need for the Regulations, Defendants must comply 32. with the regular (Gov. Code, §11346) or emergency (Gov. Code, §11346.1) rulemaking process 10 contained in the APA. (Gov. Code, §11340 et seq.) The emergency rule making process under 11 Government Code section 11346.1, subdivision (b)(2) states in pertinent part: 12

A finding of emergency based only upon expediency, convenience, best interest, general public need, or speculation, shall not be adequate to demonstrate the existence of an emergency. If the situation identified in the finding of emergency existed and was known by the agency adopting the emergency regulation in sufficient time to have been addressed through nonemergency regulations adopted in accordance with the provisions of Article 5 (commencing with Section 11346), the finding of emergency shall include facts explaining the failure to address the situation through nonemergency regulations.

Plaintiffs are therefore entitled to a judicial declaration pursuant to Government 33. Code section 11350 and Code of Civil Procedure section 1060 that the Regulations are invalid for substantially failing to comply with the APA and unenforceable.

34.

A stay, temporary restraining order, preliminary injunction, and permanent

<sup>2</sup> The Governor's May 2020 Budget Summary was issued on May 14, 2020, wherein the Governor recommended 25 increased Good Conduct credits stating, "CDCR will pursue changes to good conduct credits that will be applied prospectively. While the changes are still being developed, they will be informed by preliminary recidivism data 26 associated with existing good conduct credit." (See <http://www.ebudget.ca.gov/2020-21/pdf/Revised/BudgetSummary/FullBudgetSummary.pdf>) 27

28

injunction is also necessary to prohibit CDCR from enforcing the Regulations during the pendency
 of these proceedings. Without such injunction, CDCR will continue to enforce the Regulations that
 have the effect of reducing sentences including for violent and serious crimes.

Further, harm from the Regulations lies in the subversion of the democratic 35. values the APA was intended to serve. The notice, comment, and review procedures of the APA were enacted to secure the public benefits of openness, accessibility, and accountability in the formulation of rules that implement legislative enactments. Irreparable harm to these important public benefits occurs whenever a state agency unlawfully adopts a regulation as CDCR has done here. The Regulations became effective on May 1, 2021, and will expire on February 8, 2022. (Exhibit B.) Unless enjoined by order of this Court, Plaintiffs will continue to suffer great and irreparable harm because the challenged regulations violate the public's ability to comment about the proposed regulations in violation of the APA for a period of no less than 10 months. 

## PRAYER FOR RELIEF

WHEREFORE, Plaintiffs pray for relief as follows:

///

For a declaration that CDCR's Regulations are invalid and unenforceable;
 For a stay, temporary restraining order, preliminary injunction, and permanent injunction prohibiting Defendants from enforcing the Regulations; and

3. For such other and further relief as this Court deems just and proper.

Dated: May 26, 2021

# CERTIFICATION OF OPERATIONAL NECESSITY [Per Penal Code Section 5058.3]

This rulemaking action amends existing regulations concerning credit earning which were promulgated after the passage of The Public Safety and Rehabilitation Act of 2016 (hereafter referred to as Proposition 57 or the Act). Proposition 57 was approved overwhelmingly by California voters on November 8, 2016, and gives the California Department of Corrections and Rehabilitation (CDCR or Department) broad powers to promulgate regulations that award credits earned for good conduct and approved rehabilitation or educational achievements. The Act provides that the "Department of Corrections and Rehabilitation adopt regulations in furtherance of [the Act], and the Secretary of the Department of Corrections and Rehabilitation shall certify that these regulations protect and enhance public safety." (Cal. Const., art. 1, § 32(b).)

With the immediate implementation of new and revised rules for inmate credit earning, the Department seeks to comply with direction outlined in the Governor's Budget Summary, May Revision, 2020-21, which directs CDCR to pursue changes to Good Conduct Credits (GCC) to be applied prospectively. The Department proposes amendments to the Supplemental Reforms to Credit Earning regulations to increase the credit earning rate for violent offenders from one day of credit for every four days of incarceration to one day of credit for every two days of incarceration. CDCR will discontinue the practice of increasing the amount of the GCC on an effective date due to being placed in Workgroup M or F and will instead apply a credit award after the offender has successfully served/programmed for 30 continuous days in Workgroup M or F. Disciplinary issues will be handled through the amount of credit loss assessed by limiting privilege groups instead of limiting the credit earning at zero days. The Department proposes amendments to the Supplemental Reforms to Credit Earning regulations and increase the credit earning rate for non-violent offenders sentenced under the Three Strikes law from one day of credit for every two days of incarceration to one day of credit for every day of incarceration.

I, Kathleen Allison, Secretary of the Department of Corrections and Rehabilitation, certify that these regulations protect and enhance public safety and that the constitutional changes made by Proposition 57, as well as the operational need of the Department, require the immediate amendment of California Code of Regulations Title 15, Division 3, sections 3043, 3043.2, 3043.3, 3043.4, 3043.5, 3043.6, 3044, 3045.1; the renumbering and amending of sections 3043.7 to 3044.1, 3043.8 to 3044.2 and 3047 to 3046.1; and the adoption of new section 3043.7 concerning inmate credit earning opportunities.

### FINDING OF EMERGENCY (Government Code section 11346.1(b)(2))

# AUTHORITY AND REFERENCE CITATIONS (Government Code section 11346.5(a)(2))

Pursuant to the authority granted by Government Code section 12838.5, Penal Code section 5055, and the rulemaking authority granted by Penal Code sections 5058 and 5058.3 (in order to implement, interpret and make specific Penal Code section 5054), the California Department of Corrections and Rehabilitation (CDCR or Department) proposes to amend California Code of Regulations (CCR), Title 15, Division 3, sections 3043, 3043.2, 3043.3, 3043.4, 3043.5, 3043.6, 3044, 3045.1, renumbering and amending 3043.7 to 3044.1, 3043.8 to 3044.2 and 3047 to 3046.1, and to adopt new section 3043.7 regarding Minimum Security Credit. The proposed regulations amend credit earning provisions which were promulgated after the passage of the Public Safety and Rehabilitation Act of 2016 (Proposition 57), and amend existing provisions regarding classification that are tied to credit earning.

Penal Code section 5000 provides that commencing July 1, 2005, any reference to the Department of Corrections, in this or any other code, refers to the California Department of Corrections and Rehabilitation.

Penal Code section 5050 provides that commencing July 1, 2005, any reference to the Director of Corrections, in this or any other code, refers to the Secretary of the California Department of Corrections and Rehabilitation.

Penal Code section 5054 provides that commencing July 1, 2005, the supervision, management, and control of the state prisons, and the responsibility for the care, custody, treatment, training, discipline, and employment of persons confined therein, are vested in the Secretary of the California Department of Corrections and Rehabilitation.

Penal Code section 5058 authorizes the Secretary of the California Department of Corrections and Rehabilitation to prescribe and amend regulations for the administration of prisons.

# INFORMATIVE DIGEST (Government Code section 11346.5(a)(3))

The proposed regulations amend existing regulations concerning credit earning which were promulgated after the passage of the Public Safety and Rehabilitation Act of 2016 (Proposition 57), and amend existing regulations regarding classification that are tied to credit earning.

The proposed regulations increase the Good Conduct Credit earning rate of violent offenders and non-violent offenders sentenced under the Three Strikes Law, under subdivision (c) of section 1170.12 of the Penal Code or under subdivision (c) or (e) of section 667 of the Penal Code; removes any increase to the Good Conduct Credit for

inmates assigned to Minimum A Custody or Minimum B Custody (Work Groups M and F) or who are trained as firefighters or working in a fire camp, ; and adds new provisions that eligible inmates assigned to Work Group M or F shall instead be awarded Minimum Security Credit. The new Minimum Security Credits are promulgated under the authority of Proposition 57 and appear in this article.

These proposed revisions to the credit earning regulations will continue to award credits for inmates working in fire camps, trained as firefighters, and assigned to minimum custody, while simplifying the calculation by awarding the credits as earned on a monthly basis instead of increasing the Good Conduct Credit earning rate, which is the existing practice. These proposed revisions will also increase Good Conduct Credit for violent offenders and non-violent second strikers. The proposed revisions will continue to give credits for inmates placed in dangerous situations and in minimum custody, which allows inmates to take responsibility for their own behavior and rehabilitation which will better prepare them for their eventual return to society.

# POLICY STATEMENT OVERVIEW (Government Code section 11346.5(a)(3)(C))

This rulemaking action will:

- Establish a new type of credit called Minimum Security Credit that inmates may earn to advance the inmate's release date. Inmates assigned to specified workgroups are eligible to earn these credits, which shall be awarded in increments of 30 days.
- Increase the rate at which eligible inmates may earn Good Conduct Credit to advance the inmate's release date, beginning May 1, 2021.
- Establish that Educational Merit Credit, which previously could not be forfeited, is now forfeitable based upon a finding of guilt for specified rule violations.

# ADDENDUM TO THE FINDING OF EMERGENCY

The California Department of Corrections and Rehabilitation (CDCR or Department) proposes to amend California Code of Regulations (CCR), Title 15, Division 3, sections 3043, 3043.2, 3043.3, 3043.4, 3043.5, 3043.6, 3044, 3045.1, renumber and amend section 3043.7 to 3044.1, section 3043.8 to 3044.2 and section 3047 to 3046.1, and to adopt new section 3043.7, regarding Minimum Security Credit and Inmate Credit Earning. The proposed regulations amend existing regulations concerning credit earning which were promulgated after the passage of the Public Safety and Rehabilitation Act of 2016 (Proposition 57), and amend existing regulations regarding classification that are tied to credit earning.

The proposed regulations increase the Good Conduct Credit earning rate of violent offenders and non-violent offenders sentenced under the Three Strikes Law, under subdivision (c) of section 1170.12 of the Penal Code or under subdivision (c) or (e) of section 667 of the Penal Code, removes any increase to the Good Conduct Credit for inmates assigned to Minimum A Custody or Minimum B Custody (Work Groups M and F) or who are trained as a firefighter or working in a fire camp, and adds new provisions that eligible inmates assigned to Work Group M or F shall instead be awarded Minimum Security Credit. The new Minimum Security Credits are promulgated under the authority of Proposition 57 and appear in this article.

These proposed revisions to the credit earning regulations will continue to award credits for inmates working in fire camps, trained as firefighters, and assigned to minimum custody, while simplifying the calculation by awarding the credits as earned on a monthly basis instead of increasing the Good Conduct Credit earning rate, which is the existing practice. These proposed revisions will also increase Good Conduct Credit for violent offenders and non-violent offenders sentenced under the Three Strikes Law. The proposed revisions will continue to give credits for inmates placed in dangerous situations and in minimum custody, which allows inmates to take responsibility for their own behavior and rehabilitation, which will better prepare them for their eventual return to society.

### Anticipated Benefits of the Regulations

The Department anticipates these proposed regulations will benefit our criminal justice system and communities by continuing to create incentives and opportunities for inmates to positively program. In addition, these incentives will improve inmate behavior and reduce violence in prisons; making conditions safer for inmates and departmental staff.

## Economic Impact Assessment

In accordance with Government Code section 11346.3, subdivision (b), the Department has made the following assessments regarding the proposed regulations:

# Significant Adverse Economic Impact on Business

The Department has made an initial determination the proposed regulations will not have a significant adverse economic impact on business. Additionally, there has been no testimony or other evidence provided that would alter the Department's initial determination. The proposed regulations affect the internal operations of the Department only and place no requirements or restrictions on businesses.

# Creation of New or Elimination of Existing Jobs within the State of California

The Department has determined the proposed regulations will not have an impact on the creation of new jobs or the elimination of existing jobs within California as the proposed regulations affect the internal operations of prisons only.

# <u>Creation of New Businesses or Elimination or Expansion of Existing Businesses</u> <u>Currently Doing Business within the State of California</u>

The Department has determined that the proposed regulations will not have an impact on the creation of new businesses or the elimination of existing businesses within California, or affect the expansion of businesses currently doing business in California, as the proposed regulations affect the internal operations of prisons only.

# Benefits to the Health and Welfare of California Residents, Worker Safety, and the State's Environment

The Department has determined that the proposed regulations may have a positive impact on the Health and Welfare of California residents, worker safety, and the State's environment by reducing prison overcrowding.

### **Consideration of Alternatives**

The Department must determine no reasonable alternative considered, or that has otherwise been identified and brought to the attention of the Department, would be more effective in carrying out the purpose for which this action is proposed, would be as effective and less burdensome to affected private persons than the action proposed, or would be more cost-effective to affected private persons and equally effective in implementing and equally effective in implementing The Public Safety and Rehabilitation Act of 2016. Currently, no reasonable alternatives have been brought to the attention of the Department, which would alter the Department's initial determination.

#### Local Mandates

The Department has determined this action imposes no mandates on local agencies or school districts, or a mandate which requires reimbursement pursuant to Part 7 (section 17561) of Division 4.

#### Materials Relied Upon

In proposing additions or amendments to these regulations, the Department has not identified nor has it relied upon any technical, theoretical, or empirical study, report, or similar document.

# Specific Purpose and Rationale for Each Section (per Government Code Section 11346.2(b)(1))

Section 3043. Credit Earning.

**Subsection 3043(a) is amended to** introduce the new term Minimum Security Credit and reference the newly added section 3043.7, which describes Minimum Security Credit. The Minimum Security Credit will allow inmates placed in dangerous situations (fire camps) to earn credits and will also allow all eligible inmates assigned to Workgroups M and F to earn these credits. All eligible inmates will have a reasonable opportunity to earn Minimum Security Credits. The application of credits shall advance an inmate's release date as long as their release date is not within the 15, 45, or 60-day release date restriction timelines as set forth in subdivision (c)

**Subsections 3043(b) is amended to** include Minimum Security Credit and remove Good Conduct Credit (GCC) as GCCs are not a program or activity that inmates participate in. GCCs are earned as delineated in section 3043.2.

Subsection 3043(c) is amended to improve grammar and to make clear that the 60-day restriction applies to those inmates that have been convicted of and not just serving a term for a violent felony.

**Subsection 3043(d) is amended to** included Minimum Security Credit language. This language has been added to establish that inmates sentenced as adults and housed by the Division of Juvenile Justice or placed in an alternative custody setting are eligible to earn Minimum Security Credit.

### Section 3043.2. Good Conduct Credit

Subsection 3043.2(a) is unchanged but shown for reference.

Subsections 3043.2(b) and 3043.2(b)(1) are amended to improve grammar.

Subsection 3043.2(b)(2) is amended and subsections 3043.2(b)(2)(A) and (b)(2)(B) are adopted to establish that the Good Conduct Credit rate for violent offenders that took effect on May 1, 2017 will remain in effect through April 30, 2021. This amendment is necessary so staff and inmates are aware the original credit rate criteria will remain in effect through April 30, 2021. This amendment increases Good Conduct Credits for violent offenders, effective May 1, 2021. Providing violent offenders a higher credit earning rate will result in earlier releases and potentially a reduced inmate population. The phrase "qualifies under paragraph (4)(B) of this section" is removed because violent offenders will no longer have their Good Conduct Credit rate increased when they are working in a fire camp or trained as a firefighter. Instead, they will earn the new Minimum Security Credits. The phrase "this article or" is added because inmates serving a determinate or indeterminate term for a felony are currently eligible and will continue to be eligible for credits that are authorized by various sections of the Penal Code and by regulations in this article that are promulgated under the authority of Proposition 57.

Subsection 3043.2(b)(3) is amended and subsections 3043.2(b)(3)(A) and (b)(3)(B) are adopted to establish that the Good Conduct Credit rate for non-violent offenders

sentenced under the Three Strikes Law, under subdivision (c) of section 1170.12 of the Penal Code, or under subdivision (c) or (e) of section 667 of the Penal Code that took effect on May 1, 2017, will remain in effect through April 30, 2021. This amendment is necessary so staff and inmates are aware the original credit rate criteria will remain in effect through April 30, 2021. This amendment increases Good Conduct Credits for nonviolent offenders sentenced under the Three Strikes Law, under subdivision (c) of section 1170.12 of the Penal Code or under subdivision (c) or (e) of section 667 of the Penal Code, effective May 1, 2021. Currently, non-violent offenders sentenced under the Three Strikes Law earn 50% good time credit on their actual time served in custody prior to being sentenced to state prison. Once the inmate is sentenced, the offender's credit earning amount reduces to 33.3%. By CDCR changing the credit earning of the good conduct credit from 33.3% to 50%, the credit earning will be consistently applied for all non-violent offenders once they are sentenced to serve a state prison term regardless of serving the time in state prison or the county jail. Providing non-violent offenders sentenced under the Three Strikes Law a higher credit earning rate, will result in earlier releases and potentially a reduced inmate population. Language is stricken at the end of the paragraph because inmates serving non-violent terms who were sentenced under the Three Strikes Law and who work in a fire camp or are trained as firefighters will no longer have their Good Conduct Credit rate increased. Rather, these inmates will earn the new Minimum Security Credits. This change will simplify the calculation and ensure the credit awarded impacts the calculation of the inmate's release date.

**Subsection 3043.2(b)(4) is amended to** improve grammar and subsections 3043.2(b)(4)(B) and (C) are deleted. Offenders serving a determinate term for a violent felony who are working in a fire camp or trained as firefighters will no longer have their Good Conduct Credit rate increased. Rather, these inmates will earn the new Minimum Security Credits. This change will simplify the calculation and ensure the credit awarded impacts the calculation of the inmate's release date.

# Subsections 3043.2(b)(5) through 3043.2(b)(5)(C) are repealed

Rather than earning the prior higher rate of Good Conduct Credit, the following inmates will earn the new Minimum Security Credits: inmates eligible for day-for-day credit who are assigned Minimum A or B Custody and inmates serving determinate terms who have completed firefighting training or are housed at a fire camp. The proposed change will simplify the calculation and ensure the credit awarded impacts the calculation of the inmate's release date.

# Subsection 3043.2(c) is repealed.

Workgroups will no longer have an impact on the Good Conduct Credit (GCC) and an inmate's GCC rate may change after placement in an alternative custody setting based upon a change to their commitment.

# Subsection 3043.2(c) is renumbered and amended.

This section has been renumbered from Subsection 3043.2(d). This section removes language referencing a zero credit workgroup. Currently, inmates in Workgroups C and D-2 do not earn Good Conduct Credit for a specified time period. Proposed amendments

to section 3044 remove the zero credit earning language for inmates placed in Workgroups C and D-2. Assignment to Workgroups C and D-2 will no longer be assigned as "zero credit earning." Disciplinary issues will be addressed through the assessment of credit loss or by assigning privilege groups to limit privileges for the length of the credit loss. This fortifies the concept of incentivizing behavior and will impact the inmate's ability to earn program credits based on behavior. Inmates will now continue to earn Good Conduct Credit when placed in Work Group C or D-2. A finding of guilt of a serious rule violation will continue to trigger forfeiture of Good Conduct Credits. Removing the workgroup impact to the Good Conduct Credit will simplify the calculation.

# Section 3043.3. Milestone Completion Credit.

Subsection 3043.3(c) is amended to improve grammar and to make clear the application of credits shall advance an inmate's release date as long as their release date is not within the 15, 45, or 60-day release date restriction timeframe as set forth in subdivision (c) of section 3043.

### Subsection 3043.3(h) is amended.

When an inmate has lost more credit than Good Conduct Credit earned, as a result of disciplinary action, they have a negative GCC balance. Milestone Completion Credits can be lost when there is a negative GCC balance. Milestone Completion Credits can be restored if a disciplinary action is reversed. The same goes for Good Conduct Credits. However, GCC for many disciplinary actions can also be restored another way, by being disciplinary-free for a time period and meeting other regulatory requirements under sections 3327 through 3329.5. This recommended change adds this method of restoration for Milestone Completion Credits. This recommended change promotes positive programming by allowing inmates to have forfeited Milestone Completion Credits restored by being disciplinary-free for a period and meeting the other regulatory requirements. It provides another way for an inmate to get out of a negative credit balance situation.

# Section 3043.4. Rehabilitative Achievement Credit.

Subsection 3043.4(b) is amended to make clear the application of credits shall advance an inmate's release date as long as their release date is not within the 15, 45, or 60-day release date restriction timeframe as set forth in subdivision (c) of section 3043.

Subsection 3043.4(e)(2) is amended to improve grammar and to use more accurate terminology. There has been no change to the meaning or effect of this subsection.

### Subsection 3043.4(i) is amended.

When an inmate has lost more credit than Good Conduct Credit (GCC) earned, as a result of disciplinary action, they have a negative GCC balance. Rehabilitative Achievement Credits can be lost when there is a negative GCC balance. Rehabilitative Achievement Credits can be restored if the disciplinary action is reversed. The same goes for Good Conduct Credits. However, Good Conduct Credits for many disciplinary actions can also be restored another way, by being disciplinary-free for a time period and meeting other regulatory requirements under sections 3327 through 3329.5. This recommended change adds this method of restoration for Rehabilitative Achievement Credits. This recommended change promotes positive programming, allowing inmates to have forfeited Rehabilitative Achievement Credits restored by being disciplinary-free for a period and meeting the other regulatory requirements. It provides another way for an inmate to get out of a negative credit balance situation.

# Section 3043.5. Educational Merit Credit.

Subsection 3043.5(b) is amended to make clear the application of credits shall advance an inmate's release date as long as their release date is not within the 15, 45, or 60-day release date restriction timeframe as set forth in subdivision (c) of section 3043.

Subsection 3043.5(e) is amended to improve grammar and to use more accurate terminology. There has been no change to the meaning or effect of this subsection.

# Subsection 3043.5(f) is amended.

Educational Merit Credits will be treated the same as other credits. Inmates can earn them, forfeit them, and have them restored.

# Section 3043.6. Extraordinary Conduct Credit.

Subsection 3043.6(b) is amended to make clear the application of credits shall advance an inmate's release date as long as their release date is not within the 15, 45, or 60-day release date restriction timeframe as set forth in subdivision (c) of section 3043.

Subsection 3043.6(c) is amended to improve grammar and to use more accurate terminology. There has been no change to the meaning or effect of this subsection.

### Subsection 3043.6(d) is amended.

Extraordinary Conduct Credits will be treated the same as other credits. Inmates can earn them, forfeit them, and have them restored.

# New Section 3043.7 Minimum Security Credit is adopted

**Subsection 3043.7(a) is adopted to** establish that effective May 1, 2021, eligible inmates assigned to Minimum Custody A or Minimum Custody B shall be awarded Minimum Security Credit. Instead of increasing the Good Conduct Credit earning rate, CDCR will apply a credit award after the inmate has successfully served/programmed for 30 continuous days in workgroup M or F. Good Conduct Credits are projected, meaning they are counted when an inmate's Earliest Possible Release Date (EPRD) or Minimum Eligible Parole Date (MEPD) are calculated. Minimum Security Credits will not be projected. They will be earned in real-time, like Milestone Completion Credit, Rehabilitative Achievement Credit, Educational Merit Credit, and Extraordinary Conduct
Credit. This fortifies the concept of positive programming. Inmates sentenced to death or life without parole are ineligible for credits.

Subsection 3043.7(b) is adopted to establish that the award of such credit shall advance an inmate's release date as long as their release date is not within the 15, 45, or 60-day release date restriction timeframe as set forth in subdivision (c) of section 3043.

**Subsection 3043.7(c) is adopted to** establish how many days of Minimum Security Credits an eligible inmate will receive after 30 consecutive days in Work Group M or F. Instead of increasing the Good Conduct Credit earning rate, the Department will apply a credit award of 30 days after the inmate has successfully served/programmed for 30 continuous days in workgroup M or F. This would apply to all inmates assigned to workgroup M or F. This fortifies the concept of positive programming.

Subsection 3043.7(d) is adopted to require processing of earned credits within a particular timeframe. To be consistent with current regulations as set forth in sections 3043.3(e) and 3043.4(g) for Milestone Completion Credits and Rehabilitative Achievement Credits, the Department has determined 10 days is a reasonable time for this process to occur due to staff workload.

Subsection 3043.7(e) is adopted to establish when excess credits received under this section shall be deemed void or when it shall be applied to a consecutive term. This is consistent with Milestone Completion Credits, Rehabilitative Achievement Credits, Educational Merit Credits, and Extraordinary Conduct Credits.

Subsection 3043.7(f) is adopted to provide that Minimum Security Credits can be forfeited and restored in the same ways that other credits are forfeited and restored.

Section 3044. Inmate Work Groups and Privilege Groups.

Subsections 3044(b)(4), (b)(4)(A) and (b)(4)(B) are amended to improve grammar and remove language regarding zero credit earning and removes language referencing not to award Good Conduct Credit (GCC). Assignment to Work Group C will no longer be assigned as "zero credit earning:" Inmates placed in Work Group C will continue to earn Good Conduct Credit. Workgroups will no longer have an impact on GCC. Disciplinary issues will be addressed through the assessment of a credit loss or by assigning privilege groups to limit privileges for the length of the credit loss. This makes a more straightforward link between behavior and credit loss, incentivizing good behavior.

Subsection 3044(b) (6) through (b)(6)(D) are amended to remove language regarding zero credit earning. Assignment to Work Group D-2 will no longer be assigned as "zero credit earning." Inmates placed in Work Group D-2 will continue to earn GCC. Workgroups will no longer have an impact on GCC. Disciplinary issues will be addressed through the assessment of a credit loss or by assigning privilege groups to limit privileges for the length of the credit loss. This makes a more straightforward link between behavior and credit loss, incentivizing good behavior. Subdivision (D) is removed because it is not

necessary; inmates will not be placed in zero credit earning and therefore will not need to earn these credits back. The credit loss imposed as part of a disciplinary proceeding for a finding of guilty on a serious rule violation continues to be subject to restoration per section 3327.

Subsections 3044(b)(7) through (b)(7)(E) are amended to improve grammar and remove language regarding zero credit and Good Conduct Credit (GCC), as workgroups will no longer have an impact on GCC. Assignment to Work Group C or D-2 will no longer be assigned as "zero credit earning." Disciplinary issues will be addressed through the assessment of a credit loss or by assigning privilege groups to limit privileges for the length of the credit loss. This makes a more straightforward link between behavior and credit loss, incentivizing good behavior.

#### Subsection 3044(b)(7)(F) is repealed

Currently, in order for an inmate to retain their Work Group F when transferred to an alternative custody setting from a Fire Camp, the inmate would need to have been housed in a Fire Camp for at least 12 months. If removed from a Fire Camp and transferred to an alternative custody setting earlier than 12 months, their Work Group F would be removed and their EPRD would change. With the proposed changes set out in section 3043.7 regarding Minimum Security Credits, inmates assigned to both Work Group M and Work Group F will now earn the same amount of Minimum Security Credits. Work Group F will now be designated to only represent inmates housed in Fire Camps.

Subsections 3044(b)(8) through (b)(8)(G) are amended to improve grammar and remove language regarding Good Conduct Credit (GCC), as workgroups will no longer have an impact on GCC. Work Groups M and F will no longer result in a higher GCC rate; rather, they will allow inmates to earn Minimum Security Credit.

#### Section 3044.1. Special Assignments

Subsections 3044.1(d) through (d)(2)(B) are amended to improve grammar, correct the name of a form, and correct a referenced regulation section and to remove credit earning language. Existing section 3043.7 has been renumbered to 3044.1. Workgroups will no longer have an impact on credit earning status (being placed in a zero-credit earning status), or on the Good Conduct Credit earning rate.

Section 3044.2. Impact of Transfer Upon Work Groups. This section has been renumbered from 3043.8 and the title amended. The renumbering and renaming of this section better identify that this section covers the change and impact to workgroups when an inmate is transferred.

#### Subsection 3044.2(a)(2) is amended.

Inmates that are removed from fire camp for non-adverse reasons will have their workgroup changed from Work Group F to Work Group M. These inmates will still be eligible to receive Minimum Security Credit.

Subsection 3044.2(c) is amended to remove language regarding credit earning, as workgroups will no longer have an impact on credit earning status (being placed in zero-credit earning status) or the Good Conduct Credit earning rate.

Subsections 3044.2(e) through (e)(2) are amended to remove language, as this section references the old section 3043.4. In 2017, section 3043.4 Non-Credit Earning was repealed and replaced with Rehabilitative Achievement Credits, which have nothing to do with SHU, PSU or ASU or workgroup placements.

Section 3045.1. Timekeeping and Reporting.

**Subsection 3045.1 is amended to** remove language, as this section references the old section 3043.4. In 2017, section 3043.4 Non-Credit Earning was repealed and replaced with Rehabilitative Achievement Credits, which have nothing to do with workgroup placements.

#### CERTIFICATION OF PUBLIC SAFETY COMPLIANCE [Per California Constitution, Article I, Section 32]

This rulemaking action amends existing regulations concerning credit earning which were promulgated after the passage of The Public Safety and Rehabilitation Act of 2016 (hereafter referred to as Proposition 57 or the Act). Proposition 57 was approved overwhelmingly by California voters on November 8, 2016, and gives the California Department of Corrections and Rehabilitation (CDCR or the Department) broad powers to promulgate regulations that award credits earned for good conduct and approved rehabilitation or educational achievements. The Act provides that the "Department of Corrections and Rehabilitation adopt regulations in furtherance of [the Act], and the Secretary of the Department of Corrections and Rehabilitation shall certify that these regulations protect and enhance public safety." (Cal. Const., art. 1, § 32(b).)

Accordingly, in my role as the Secretary of the Department, I have been granted broad rulemaking authority under the California Constitution to adopt, amend, or repeal regulations in furtherance of the Act (notwithstanding other provisions of law) and I hereby invoke that constitutional grant of authority in support of this rulemaking action.

With the immediate implementation of new and revised rules for inmate credit earning, the Department seeks to comply with direction outlined in the Governor's Budget Summary, May Revision, 2020-21, which directs CDCR to pursue changes to Good Conduct Credits (GCC) to be applied prospectively. The Department proposes amendments to the Supplemental Reforms to Credit Earning regulations to increase the credit earning rate for violent offenders from one day of credit for every four days of incarceration to one day of credit for every two days of incarceration. CDCR will discontinue the practice of increasing the amount of the GCC on an effective date due to being placed in Workgroup M or F and will instead apply a credit award after the offender has successfully served/programmed for 30 continuous days in Workgroup M or F. Disciplinary issues will be handled through the amount of credit loss assessed by limiting privilege groups instead of limiting the credit earning at zero days. The Department proposes amendments to the Supplemental Reforms to Credit Earning regulations and increase the credit earning rate for non-violent offenders sentenced under the Three Strikes law from one day of credit for every two days of incarceration to one day of credit for every day of incarceration.

I, Kathleen Allison, Secretary of the Department of Corrections and Rehabilitation, certify that these regulations protect and enhance public safety and that the constitutional changes made by Proposition 57, as well as the operational need of the Department, require the immediate amendment of California Code of Regulations Title 15, Division 3, Sections 3043, 3043.2, 3043.3, 3043.4, 3043.5, 3043.6, 3044, 3045.1; the renumbering and amending of Sections 3043.7 to 3044.1, 3043.8 to 3044.2 and 3047 to 3046.1; and the adoption of new Section 3043.7 concerning inmate credit earning opportunities.

Kathleen Allison Office of the Secretary Department of Corrections and Rehabilitation PO Box 942883 Sacramento, CA 94283-0001

Dear Secretary Allison:

Pursuant to Government Code sections 11340.6 and 11340.7, I, Anne Marie Schubert, District Attorney of Sacramento County, along with the forty (40) undersigned Elected District Attorneys across California, hereby petition to repeal the temporary emergency regulations contained in the Minimum Security Credit and Inmate Credit Earning rulemaking action filed with the Office of Administrative Law (OLA) on April 8, 2021. The reason for this request is that the proposed emergency regulations and their supporting documents contained in regulatory action number 2021-0408-04EON do not comply with the requirements under Penal Code section 5058.3.

Penal Code section 5058.3, subdivision (a)(2) states in relevant part:

Notwithstanding subdivision (b) of Section 11346.1 of the Government Code, no showing of emergency is necessary in order to adopt, amend, or repeal an emergency regulation if the director instead certifies, in a written statement filed with the Office of Administrative Law, that operational needs of the department require adoption, amendment, or repeal of the regulation on an *emergency basis*. The written statement shall include a description of the underlying facts and an explanation of the operational need to use the emergency rulemaking procedure. This paragraph provides an alternative to filing a statement of emergency pursuant to subdivision (b) of Section 11346.1 of the Government Code. *It does not preclude filing a statement of emergency* [emphasis added]. This paragraph only applies to the initial adoption and one readoption of an emergency regulation.

sacda.org

Subdivision (b) provides that:

It is the intent of the Legislature, in authorizing the deviations in this section from the requirements and procedures of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, to authorize the department to expedite the exercise of its power to implement regulations as its unique operational circumstances require.

The purpose of the emergency procedure outlined in Penal Code section 5058.3 is to immediately put into place regulations on an emergency basis. However, the proposed regulations contained in the rulemaking file are credit earning provisions that have the effect of significantly shortening the length of sentence for 76,000 violent and serious offenders rather than a regulation that goes to an operational need or circumstance of the department.

Further, there is no "description of the underlying facts and an explanation of the operational need to use the emergency rulemaking procedure" in the proposed regulations as required by Penal Code section 5058.3(a)(2). In your Certification of Operational Needs, you cited the need to "Comply with the direction outlined in the Governor's Budget Summary, May Revision 2020-2021. "1 Nowhere in the supporting documents is there an explanation of how last year's budget has become an operational need for adoption of the regulations on an emergency basis.<sup>2</sup> As such, the public was denied an adequate opportunity for public input and comment on these far reaching regulations.

Because there is no operational need for the proposed emergency regulations contained in regulatory action number 2021-0408-04EON, the department must comply with the regular (Gov. Code, §11346) or emergency (Gov. Code, §11346.1, subd. (b)) rulemaking process contained in the California Administrative Procedure Act (APA) (Gov. Code, §11340 et seq.). Furthermore, CDCR has the authority to repeal these emergency regulations pursuant to Government Code sections 11346, 11340.6, and 11340.7.

<sup>&</sup>lt;sup>1</sup> The Governor's May 2020 Budget Summary was issued on May 14, 2020, wherein the Governor recommended increased Good Conduct credits stating, "CDCR will pursue changes to good conduct credits that will be applied prospectively. While the changes are still being developed, they will be informed by preliminary recidivism data associated with existing good conduct credits." See http://www.ebudget.ca.gov/2020-21/pdf/Revised/BudgetSummary/FullBudgetSummary.pdf

<sup>&</sup>lt;sup>2</sup> Recently adopted department regulations on CDCR's website show a notice of posting or public hearing including those adopted on an emergency basis; https://www.cdcr.ca.gov/regulations/cdcr-regulations/new-rules-page/ In fact, in a previous Notice of Change of Regulations related to resentencing of inmates pursuant to Penal Code section 1170(d)(1), CDCR posted the notice and authorized public comment for 45 days. The regulations at issue here have no such notice of posting or public hearing on CDCR's website.

Based upon the foregoing, we petition you to repeal these emergency regulations contained in the Minimum Security Credit and Inmate Credit Earning rulemaking action filed with the Office of Administrative Law (OLA) on April 8, 2021.
