A New Year's wish of peace and love
As we honor those we have lost
To hear of them can make us smile
Please say their names once in a while
We need to speak of them to you
And know that you remember too
They're gone from sight, but not from heart
And for this time that we're apart;
We'll always miss them, always care
It helps when memories you share
To speak of them does not bring pain
It brings them close to us again.
So if you have a memory
A thought that you can share with me
I'd love to hear it if you could
Please speak their name, I wish you would

Your Light Still Shines

I miss our moments together,
I treasure each memory.
You left with the key to my heart;
Your life lives on through me.

If only I had wings,
I'd fly toward those stars
And knock on heaven's door;
I'm sure that's where you are.

Just to hear your voice,
See your loving smile,
Just to hold you once again,
I would crawl a billion miles.

You'll always be a part of me,
For love never fades with time.
I know in my darkest hours
Your light will always shine.
