

Community Prosecution Unit (CPU)

As part of CGR, community prosecutors work in neighborhoods throughout the city and county. They work to create partnerships with citizens, law enforcement, community groups and businesses to proactively address quality of life issues.

CPU programs and projects include:

Abandoned Properties

A partnership with the Sacramento County Sheriff's Office, Code Enforcement and county staff to eliminate nuisances on vacant, open and accessible properties-both residential and commercial.

Business Watch

Sacramento Business Watch

We Immediately Report All Suspicious People and Activities to Law Enforcement

an active role in preventing crime by sharing information, raising awareness and training employees to recognize criminal activity. Business Watch signs, decals and pamphlets are distributed to participating businesses.

Chronic Offender Rehabilitation Effort

A collaboration with law enforcement, Public Defender's Office and Sacramento County Alcohol and Drug Services to focus on offenders who repeatedly commit crimes that impact public safety and quality of life for a community. Working with the court and service providers, the offender is offered a tailored program to address substance abuse and mental illness to create a safer community.

MAGIC (Multi-Agency Graffiti Intervention Committee)

A task force involving law enforcement, city and county agencies and community members to promote community awareness in eradicating graffiti.

Additional Programs & Task Forces

Collaborative Courts

The adult courts provide services and avoid incarceration through partnerships with the DA's Office, Probation, Public Defender, the Court and community-based programs. Courts include Mental Health, Drug, Veteran, Homeless, and RESET for adult sexually exploited victims.

Juvenile: CSEC (Commercial Sexually Exploited Children)

For children who are commercially sexually exploited. CSEC provides them with safety and stability.

National Night Out

The DA's Office participates in this annual campaign, where members of public safety and citizens come together in solidarity and celebration of crime prevention and efforts to keep neighborhoods safe.

Delta Task Force

The Sacramento Delta Task Force is a collaborative working group involving local agencies that focus on ongoing abandoned derelict vessels and marina issues in Sacramento County. In partnership with the Abandoned Derelict Vessel Workgroup, the Delta Task Force comes together with federal and state law enforcement agencies, as well as public entities, to address abandoned derelict vessels in the state waterways.

Community & Government Relations

Community and Government Relations Division brings all of the office's community related efforts under one umbrella with the goal of maximizing our reach, increasing communication and making a positive impact across the communities we serve. We are proud of the new programs and partnerships created under CGR, and we are committed in building upon these efforts to engage, educate and reduce the opportunity gap.
